DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. This communication is in response to the Order Returning Undocketed Appeal To Examiner filed 3/03/2009 by the Board Of Patent Appeals And Interferences Review Team Paralegal Gloria Henderson. The IFW file wrapper is missing the two Non-Patent Literature documents [Zalis, M., "Digital Subtraction Bowel Cleansing in CT Colonography" 2001, pp 646-648; and Wyatt, C.L., "Automatic segmentation of the colon for virtual Colonoscopy" 2000, pp. 1-9]. Therefore, the Examiner has attached the two missing files to this communication for re-scanning purposes. The application has been forwarded to the Board of Patent Appeals and Interferences for a decision on the appeal.
